MANUSCRIPT TRACK

Author submits the manuscript to the journal

The Managing editor checks if manuscript meets the requirements or not (max. 40 days to reply)

If ok

The Manuscript will be scanned for plagiarism

If not

The Manuscript will be rejected for the time being and sent back to the author

If not passed

If passed

It will be sent to the Section editor to send it to experts

Here, the experts check the manuscript

1. If the experts accept the manuscript, it will be sent to the author to do the corrections.
2. If one expert rejects it, it will be sent to a third expert.
3. If the third accepts it, it will be sent to the author to do the corrections.
4. If the third rejects it, it will be rejected.

(the whole process takes 30-45 days)

After checking the copyright letter, and the accounts links, the paper will be sent to the managing editor to be checked and prepared for publication

The Author signs and submits the copyright agreement and fills in the accounts Google form

If it is ok

The Author is given 10-15 days to do the corrections, and send it back to section editor

If not

The Manuscript is delayed or rejected
(The whole process takes 7 days)
